**Lombard, IL** – Drs. Timothy & Kitty Yon of The Centre for Chiropractic Health is teaming up with The Greater Chicago Food Depository, Northern Illinois Food Bank, and Dominick’s to help raise food supply levels this holiday season. The food drive will run from Nov. 8<sup>th</sup> – Nov. 24<sup>th</sup>. The holiday season is the time of the year that brings friends, families, food & good health together. The food drive will help to supply food for many needy families in the Chicago & DuPage area who are malnourished. The clinic is urging all of its patients to donate a sack of food items in exchange for a full comprehensive examination.

During this effort to fight hunger, individuals can drop off nonperishable food items at The Centre for Chiropractic Health, at 2340 S. Highland Ave. Suite 360, in Lombard.

Dr. Yon says, “We enjoy giving something back to our community. We love having the opportunity to help underprivileged families enjoy the holiday season while giving our time and talents to our patients.”

The Centre for Chiropractic Health is encouraging all new patients to come in during the month of November for an initial exam in exchange for a bag of non-perishable food. All new patients will receive up to a \$200 worth of health care for a food donation.” More info can be found at [WWW.CCH4YOU.COM](http://WWW.CCH4YOU.COM).
