Dear Mayor Sandack and Councilmen:

Tim McJoynt

On behalf of the Downers Grove Area Chamber of Commerce & Industry Board of Directors and its 700 members, I am writing in support of the wine boutique license. Providing availability of this license will open the door for small businesses to expand their base, all while increasing the ambiance of the shopping experience that Downers Grove currently offers its residents.

It should be noted that this ordinance is completely aligned with your Strategic Plan, specifically Principle C, Authentic Downtown. It will enhance the downtown, paving the way as it becomes a 'destination for eating and entertainment both indoor and outdoor.'
