

## **Chamber PRO**

**The purpose of Chamber PRO is to educate the Members of Chamber PRO about the services, qualifications and expertise Members possess which may benefit Members of the organization or the Members' clients.**

**Meetings** are on the fourth Wednesday of the month from noon to 1:00 p.m. in the Chamber conference room.

### **Guidelines:**

1. Membership – PRO is **not** industry exclusive. The purpose is to have as many professional experts as possible so the members have choices they can use for themselves or their clients. Membership is geared for professional referrals of chamber businesses.
2. Guest - A guest may visit two meetings before deciding to join. At the third meeting the group will vote on the candidate; a majority vote must be achieved to carry forward. If approved the candidate must complete and have their submitted application approved by the Chair and staff liaison.
3. Events – All events will be agreed upon by the group and aligned with the purpose of the group. The Chair will coordinate with Chamber staff liaison for final arrangements.

### **Rules:**

1. Members are to deal with each other in a professional manner at all times. Members will uphold ethical business practices and not take unfair advantage of information or membership. Unethical business practices will result in forfeiture of membership.
2. The meeting time be at least once a month on consistent schedule , coordinated with Chamber calendar. Meetings may take place at member offices.

3. Members may belong to more than one contact or leads organization (other than DG Chamber sponsored groups), provided they respect the bylaws of this and the other organizations.
4. This is a professional resource and education group. We seek to help each other by sharing information that will help our clients or ourselves.
